

WATER CHILLER

YOU 260

High-capacity water chiller dispensing chilled and still water, designed for professional and high-use environments.

Featuring ZERICA Silver Turbo Clean, the sealed stainless-steel ice bank with bacteriostatic silver welds requires no refilling or routine sanitisation. The dispensing vortex helps prevent dirt and residue build-up, ensuring high hygiene with reduced maintenance costs.

Low-noise operation provides quiet performance, while the galvanised steel cabinet with anti-scratch plastic coating offers durability and protection in demanding environments.
